STATEMENT UNDER 37 C.F.R. §1.137(a)

I, Frank S. DiGiglio, the undersigned, hereby state the following:

1. I am managing partner at the law firm of Scully, Scott, Murphy, and Presser (hereinafter SSMP) located in Garden City, New York, United States of America.
2. In my capacity as managing partner it is among one of my many responsibilities to review all communications from the U.S. Patent and Trademark Office addressed to our office, including Office Actions, Notice of Allowances, Notice to File Missing Parts, and all other mail having due dates upon their arrival at SSMP. After review, I assign the case to an attorney for further handling, if necessary.
3. Our Office received the Notice of Abandonment dated January 6, 2004, which indicates that the above-identified application is abandoned for failure to timely or properly reply to the Notice to File Missing Parts mailed on February 22, 2002. Upon receipt of the Notice of Abandonment, I carefully reviewed our file of the application and determined that the Notice of Missing Parts dated February 22, 2002 was not in the file. I had the docketing department of our office search our computer database, and it was determined that the Notice of Missing Parts was never entered into the computer database. A copy of the print-out of

the computer data sheet for the above application is attached. The print-out shows that no entry was made for the Notice of Missing Parts. Therefore, it has been concluded that our office did not receive the Notice of Missing Parts mailed on February 22, 2002.

4. Our staff immediately telephoned the Customer Service Center to advise them that our office had not received a Notice to File Missing Parts dated February 22, 2002. On January 14, 2004, Mr. Preston Trevor of the Office of Initial Patent Examination (OIPE) sent a copy of the Notice to File Missing Parts to our office via facsimile. A copy of the faxed Notice of Missing Parts for the above-identified application is enclosed.

5. In response to the Notice to File Missing Parts, enclosed is a Declaration and Power of Attorney, executed by the inventors of the present application.

6. It is respectfully submitted that the entire delay in filing the Response to Notice to File Missing Parts was unavoidable. Therefore, it is respectfully requested that the petition to revive the above-identified application be approved.
